

Bus registration information

A parking permit must be obtained in advance for any bus that will be parked in Seaside Heights and buses may be parked only in the municipal parking lot at Webster Avenue and Bay Boulevard.

Obtaining a permit

For your convenience, bus parking permits are issued by the Seaside Heights Business Improvement District via an on-line registration process. The registration process is available 24/7 and costs \$40 per bus. Before going to the on-line registration process, please be sure to have either your credit card information or, if a government entity, your purchase order information. Purchase orders are accepted from government entities only.

The address for the on-line permit process is

The day of your visit

- Display your permit in the right side of the bus windshield when in Seaside Heights
- If you have not obtained a permit be sure to do so before parking
- Follow the passenger drop-off instructions from your destination contact (Casino Pier, Breakwater Beach, specific motel)
- After dropping your passengers off, park your bus in the municipal parking lot at Webster Avenue and Bay Boulevard on the west side of town. Buses cannot be parked anywhere else in town.

Should you need assistance with the process, please call the Casino Pier/Breakwater Beach group sales office at 732-793-6488 Ext 8209 or email cdurkin@cpbwb.com.
